

# NPCA Foundation Scholarship for Concrete Canoe Teams

The National Precast Concrete Association Foundation provides scholarships to teams participating in the American Society of Civil Engineers Concrete Canoe National Competition. The purpose of the scholarship is to help teams offset the costs associated with their canoe construction and related travel costs to the competitions. NPCAF is a sponsor of the competition.

## Scholarship Amounts

The NPCAF Board of Directors will award up to ten \$500 scholarships each academic year

## Eligibility

Any ASCE concrete canoe participant from an accredited school with a two- or four-year engineering or construction-related degree program entering the ASCE Concrete Canoe National Competition is eligible to apply for the NPCAF Concrete Canoe Scholarship.

## Application

In order to be considered for the NPCAF Concrete Canoe Scholarship, team applications must include the following:

- Completed NPCAF Concrete Canoe Scholarship application.
- A letter of sponsorship from academic advisor to the team.
- A 500-1,000-word summary of the team's most recent entry into the ASCE Concrete Canoe National Competition, including what worked well and what improvements the team plans to make for their next design. If this is the team's first entry into the ASCE Concrete Canoe National Competition, the summary should include why they chose to participate in the competition, what challenges they anticipate and how they intend to overcome them.
- A list of the five closest NPCA members to your team's campus (available at [precast.org/find](http://precast.org/find)). If applicable, please note any NPCA members you have worked with for resources on previous concrete canoes.

## Entry Deadline & Winner Notification

Teams must submit their completed applications by Jan. 31, 2017. The NPCAF Board of Directors will announce scholarship winners by March 31, 2017.

## Questions?

Contact Marti Harrell, NPCAF executive director, at [mharrell@precast.org](mailto:mharrell@precast.org) or (800) 366-7731
