

PRECAST DAYS 2024

> How to Find Government Officials, Lawmakers to Invite to Your Precast Days Event

Government officials make decisions every day that may affect how you manufacture your products and which projects you can undertake. Showing them your facility, explaining to them the benefits of precast and introducing them to your employees casts your business and the industry in a positive light.

Federal

- You can identify your state's Senators at senate.gov/states/statesmap.htm
- You can identify your Representatives at house.gov/representatives/find-your-representative
- Third party website which locates Senators, Representatives and Local Legislators for every state: pluralpolicy.com/find-your-legislator/

Local

Call or email local officials you know and personally invite them to your event. Ask them for the names of others who might benefit from visiting your plant. Some local departments have directories on their websites. Do some research online and locate contact information for individuals or an office as a starting point.
