

# 2022 WEBINARS

NPCAs webinars are an excellent way to provide precast-specific training to your employees. The registration fee is per location, which means you can train all of your employees for the same low price. Registration gives you access to the live webinar and NPCAs entire online library of 1-hour webinars for a full year. This provides you with access to the webinars at any time for additional employee training.

All 1-hour webinars are presented from noon to 1 p.m. Eastern time. For complete course descriptions, visit

[precast.org/webinars](http://precast.org/webinars).

## The Annual Webinar Pass 12 Webinars for the Price of 9 Plus the Entire NPCA Webinar Library!
