

NPCA Scholarship for Concrete Canoe Teams

The National Precast Concrete Association provides scholarships to teams participating in the American Society of Civil Engineers Concrete Canoe National Competition. The purpose of the scholarship is to help teams offset the costs associated with their canoe construction and related travel costs. The NPCA Foundation is a sponsor of the competition.

Scholarship Amounts

NPCA will award 10 Concrete Canoe Scholarships worth \$500 for the 2022-2023 academic year.

Eligibility

Any ASCE concrete canoe participant from an accredited school with a two- or four-year engineering or construction-related degree program entering the ASCE Concrete Canoe Regional or National Competition is eligible to apply for the NPCA Concrete Canoe Scholarship. The funds can be used for any expenses related to concrete canoe construction and competition-related travel.

Application

In order to be considered for the NPCA Concrete Canoe Scholarship, team applications must include the following:

- Completed NPCA Concrete Canoe Scholarship application.
- A letter of sponsorship from academic advisor to the team.
- A 500- to 1,000-word summary of the team's most recent entry into the ASCE Concrete Canoe Competition, including what worked well and what improvements the team plans to make for their next design. If this is the team's first entry into the ASCE Concrete Canoe Competition, the summary should include why they chose to participate in the competition, what challenges they anticipate and how they intend to overcome them.
- A list of the five closest NPCA members to your team's campus (available at precast.org/find). If applicable, please note any NPCA members you have worked with for resources on previous concrete canoes.

Entry Deadline & Winner Notification

Teams must submit their completed applications by Sept. 30, 2022. NPCA will announce scholarship winners by Oct. 31, 2022.

APPLICATION

School _____

Team Name _____

If awarded, make the check payable to _____

Academic Advisors Name _____ Title _____ Email _____

Mailing Address for Concrete Canoe Team

Name _____

Address _____

City, State Zip _____

Phone _____

Primary Email _____

Secondary Email _____

Budget for 2022-2023 Concrete Canoe _____ (Mark n/a if your team did not participate in 2021-2022.)

Sources of funding (select all that apply)

School funded Fundraisers Donations from sponsors Grants

Other (please list) _____

*If the number of team members exceeds the number of rows in the table below, please add additional pages as necessary.
 All team members identified in the application agree to receive a free NPCA student membership.

TEAM MEMBERS					
Name	Major	Anticipated Graduation Date	Email	Number of Years on Concrete Canoe Team	Role on Concrete Canoe Team

Regional ASCE Concrete Canoe Competition Location _____

Date of competition _____

Biggest challenge facing your team with mix design or canoe construction:

Team Captain's Name (please print) _____

Team Captain's Signature _____ Date _____

Academic Advisor's Name (please print) _____

Academic Advisor's Signature _____ Date _____

Please attach Letter of Sponsorship from Academic Advisor to the application. The Letter of Sponsorship should include a brief description of the Concrete Canoe program at the school, the role of the Academic Advisor and an acknowledgement that any funds provided by NPCA will be used for the sole benefit of the 2022-2023 ASCE Concrete Canoe Competition.

Please contact Andi Pierce at apierce@precast.org with any questions.
